+971 50 550 1279 • aelhelaly75@gmail.com • Dubai, UAE

EDUCATION

American School of Dubai | AP System Expected May 2027

- SAT: 1360
- AP Exams: Microeconomics (4), Human Geography (4)
- Current AP Courses: Calculus AB, Macroeconomics, Psychology
- Academic interests in economics, business and entrepreneurship, with a focus on how markets and pricing work.

ATHLETICS & LEADERSHIP

LaLiga Academy | Scholarship Player 5 Years

- Awarded a 50% scholarship to train in a LaLiga-affiliated academy programme built on a professional-style development model.
- Travelled internationally to train and compete in tournaments against academy and club teams from other countries.
- Previously trained with the Barcelona Academy selection team and Alliance Football Academy.

Football Team | American School of Dubai 2023–Present

- Entering a fourth season with the school football team, balancing a demanding training and match schedule with a full AP course load.
- Returned to competition after an eight-month recovery from surgery on both legs.

Mini Falcons | Youth Football Coach, American School of Dubai 1 Year

- Coach younger students in the school's junior football programme, leading drills and teaching fundamentals, teamwork and sportsmanship.

VOLUNTEER EXPERIENCE

DAMA Egypt | Research & Strategy Volunteer 2022–Present

- Researched companies, potential partners and data management and governance practices across the Middle East, producing reports to support the founding team's strategic initiatives.
- Supported regional expansion by researching and evaluating opportunities to establish data management communities and practices in new countries.
