ALI EL HELALY

American School of Dubai | Class of 2027

[Phone] • [Email] • Dubai, UAE

EDUCATION

American School of Dubai | AP System Expected May 2027

- SAT: 1360
- Academic interests in economics, business and entrepreneurship, with a focus on how markets and pricing work.

ATHLETICS & LEADERSHIP

LaLiga Academy | Scholarship Player [Years]

- Awarded a 50% scholarship to train in a LaLiga-affiliated academy programme built on a professional-style development model.
- Travelled internationally to train and compete in tournaments against academy and club teams from other countries.

Football Team | American School of Dubai 4 Years

- Four-year member of the school football team, balancing a demanding training and match schedule with a full AP course load.
- Returned to competition after an eight-month recovery from surgery on both legs.

Mini Falcons | Youth Football Coach, American School of Dubai [Years]

- Coach younger students in the school's junior football programme, leading drills and teaching fundamentals, teamwork and sportsmanship.

VOLUNTEER EXPERIENCE

DAMA Egypt | Research & Strategy Volunteer 2022–Present

- Researched companies, potential partners and data management and governance practices across the Middle East, producing reports to support the founding team's strategic initiatives.
- Supported regional expansion by researching and evaluating opportunities to establish data management communities and practices in new countries.
